

## WHO AM I?

I'm A Website UX/UI Designer, Whatsapp Bot Developer, Game Modder, Game Developer And 3D Artist.

I'm currently living in Indonesia and I'm currently learning 3D Art. I'm kinda good at C#, JS, CSS and HTML. I also have some experience in Bash, Batch, Powershell, Python, and Kotlin. My hobbies includes: Playing games, modding games, customizing PC & Linux Desktop, and making PFP GFX. I usually code with VSCode and uploads my project with Git into Github (most of them are private).
